

## ADVANCED POWER SOURCES<sup>®</sup> LIMITED

### DISCOVER 200 SERIES *Single Phase*

The Discover Series offers much more than you would expect from a welder this size. Weighing in at just under 6.5kg (ARC) and 9.5kg (TIG) the Discover 200 packs the full punch of a professional that you can take to the most demanding job sites.

Suitable for 6013, 7018, 6010 electrodes, and can burn 2.0mm, 3.15mm rods continuously.

Indian style terminals make it rugged and reliable on site applications.
